

2502 13th Avenue West Seattle, WA. 98119 206.446.9190 raz@razterized.com

education

Seattle Central Community College - Web Design AAS-T Program

work experience

Capture Press -Web Design and Wordpress Development

Designs were pinned down after a series of three comps and then crafted into a site on the Wordpress platform.

January 2010 – Present

Northwest Home Detailers, Inc. - Web Design & Production, Search Engine Optimization and Copy Editing

After a design was selected, the site was developed using standards CSS, HTML and unobtrusive JavaScript as well as PHP.

September 2009

Seattle Central Community College

Part-Time Instructor

Brought in to update and attempt to help revitalize curriculum (esp. in the Macromedia Flash arena) as well as prepare students for the workforce. Taught CSS, Flash, Actionscript, Adobe Illustrator.

Summer 2007 – Winter 2008

Sally Bjornsen Represents - Web Production/Flash/Project Management/CMS

As part of Premium Design Works, the project was overseen from start to finish; details included, producing semantic CSS/XHTML pages from an Illustrator design, producing Flash animations that pulled images from the server and completing a customized CMS that allowed Sally to control every element on the site.

Summer 2007
